COACHBUILDER INFORMATION UPDATE

Date: March 20, 2013
Bulletin Number: XTS 18
Subject: Cadillac PV Wheel Alignment Specifications

This bulletin is to inform you of important information related to the Cadillac Professional Vehicle Alignment specifications.

Please review the attached drawing for the alignment specifications for the Cadillac XTS incomplete vehicles. All specifications are listed in the PRO Model column and GVWR is listed as GNA. Do not use any specifications with the E18 reference.

If you have any questions or concerns, call Joe Pennington at (248) 808-0854.
